Chamber Chatter

Volume 1, Issue 1

December 2011

Welcome to your "New" Newsletter

by Mary Lou Ruppert, GACC Office Administrator

This is the first issue of the "new" GACC newsletter. Since I began this job in June, getting our newsletters re-launched and back on a regular schedule has been a priority for me. Starting with this issue, look for a new "Chamber Chatter" every month.

Please share any information that you would like to be included in future issues or any ideas you may have. The Chamber Board, and myself as office staff, are always open to any constructive comments.

We feel that it is important to focus on the positive things that happen in our community. Therefore, starting with the January

2012 issue, every month will feature a "Good News" column. Please notify the Chamber office with any news or ideas you have for the column. Examples:

- Awards won by you, your business, or your employees
- New products or services offered by your business
- Expansion, remodeling, improvements, etc. of your business.
- Any other good news you'd like to share!

The Garnett Chamber of Commerce looks forward to a happy, healthy and prosperous 2012 for all!
